

The enforcement of the law N.67(I)2005 gives the right and the choice to the public, governmental and nongovernmental organizations, to assign to private licensed surveyors the performance of cadastral survey works.

The applications must be attached with a signed contract (issued by the Cyprus Scientific and Technical Chamber), between the applicant and the private licensed surveyor and then be registered by the District Lands Offices either by the applicant or by the private licensed surveyor. The survey works that can be undertaken by the private licensed surveyors, include any kind of application requiring cadastral field surveys, (except boundary disputes) in any area, such as land demarcations, vertical or horizontal (strata) property divisions, boundary readjustments, boundary amalgamations, street widening and building or other property registrations.

After the completion of the survey work by the private licensed surveyor, the Department of Lands and Surveys proceeds with the checking of the data for consistency and correctness and then updates the cadastral plan and the DLS register and finally issues the appropriate certificates.

The fees of the private licensed surveyor are covered by the applicant according to the agreement contract. The applicant is obliged to pay the necessary fees to the Department of Lands and Surveys, which cover the procedures of preparing the application, the checking and all the other necessary work that has to be done by the Department.

The assignment of applications to the private licensed surveyor helps the Department reduce its workload and the great number of pending applications requiring cadastral field surveys. As a result of the workload, the time required to carry out an application, by the Department cannot be easily defined.

A list of the private licensed surveyors, with their contact details is available in all the District Lands Offices and also in the web page of the Department ([www.moi.gov.cy](http://www.moi.gov.cy)). This list is regularly updated.

For more information, please contact Mr. Elikkos Elia, Senior Lands Officer (tel. +357-22402890, email:[eelia@dls.moi.gov.cy](mailto:eelia@dls.moi.gov.cy)).
